"GREATER HONOLULU"

Is Slogan of Waialae Improvement Club Meet Tonight

This evening at 8 o'clock the Waialae, Kaimuki and Palolo Improvement Club will hold its regular monthly meeting at the residence of A. F. Cooke.

The improvers of this district are out for a park and at tonight's meeting the subject will receive particular attention. It goes without saying that ways and means will be devised to make the park a certainty, as this club always has shown great enterprise and knows how to help itself. The park is in line with the realization that "things are doing." In Honolulu, and that "now" is the time to act to assist in the building of the Greater Honolulu.

Interesting reports on the reservoir and Rapid Transit matters will also be submitted.

ARMY AND NAVY

An executive order has been issued by the War Department as follows, relating to the military reservation of Fort Ruger:

It is hereby ordered that the following described portion of the military reservation of Fort Ruger, situate at Diamond Head, on the island of Oahu, Territory of Hawaii—all public lands comprised in which reservation were temporarily withdrawn from sale, entry or other disposition for military purposes by Executive Order of January 18, 1906 (G. O. 21, W. D., January 27, 1906)—be and the same are hereby transferred to the government of said Territory for the reservation site, viz:

Beginning at an iron pin at the north angle of Grant 3219 to Kahoolohe, said point being the southwest angle of Grant 3381 to J. Campbell, and running by true bearings as follows: (Then follows a long list of survey figures). Area: 5.52 acres.

It is further ordered that the remainder of said reservation be continued in temporary reservation for military purposes until it can be determined by an actual survey what portion thereof will be required for a permanent military reservation—such temporary reservation to include all public lands, and those only within metes and bounds described as follows:

Commencing at the southeast corner of this lot on the Waialae Nui boundary, at a stone marked with a cross: Diamond Head Trig. Station bears from this point N. 81 deg. 43 min. W., true, and Maunae Trig. Station bears N. 9 deg. 16 min. W., true; and running by true bearings as follows: (Then follows more figures).

Area 694 acres, more or less.

J. A. Lewis, chief boatswain's mate of the U. S. S. Iroquois, will soon be joined by his wife, who is expected to arrive on the Sheridan on Aug. 12.

Two of the coast artillery companies that are to be stationed at Fort Ruger will leave on the transport Sheridan today. There are about 218 men in the companies, and the post accommodations will be ready for them on their arrival.

A 2,000 mile speed test has been mapped out by the War Department for the eight armored cruisers of the Pacific fleet, the course being between San Francisco and Honolulu. The eight ships—the Tennessee, Washington, Pennsylvania, Colorado, West Virginia, Maryland, South Dakota and California—will gather at Seattle on Aug. 13 and will remain there ten days. The War Department has ordered that the supplies of the fleet, amounting to about \$500,000, shall be purchased in Seattle and Tacoma.

FANATICAL THREAT

Below is the "black-hand" letter sent anonymously to W. A. Kinney yesterday by a Japanese fanatic as announced in yesterday's Bulletin:

"To the Planters' Dog Kinney. 'Tis a thousand pities that the brave young fellow who attempted to act as heaven's instrument in punishing Sometaro Sheba should have failed in his purpose. In obstructing the work of the Higher Wage Consumption Society, you are a greater sinner even than Mr. Sheba. I give you this warning: If you without repenting of your bad conduct go on injuring the party to which we belong, it will end in your losing your life. (Signed) A Samurai endowed with the Japanese spirit."
